To: City of Bexley, Ohio, Board of Control

Subject: City of Bexley 2024 Street Improvement Bids Contract A, Recommendation for contract award

Members of the Board,

I have completed the analysis of the bids received for the 2024 Street Improvements Contract A- Asphalt Resurfacing. The attached bid tabulation shows the lowest and best bid for the work is \$1,062,293.88 from Decker Construction Company for all the work described in the base bid. There are also three alternate bids for Grandon Avenue (\$183,108.95), Chelsea Avenue (\$213,085.32) and Charles Avenue at Remington (\$187,224.67).

The Bid by Decker Construction Company is approximately nine percent (9%) less than the Engineer's Estimate. The bid appears to be fair, reasonable and is recommended for approval.

Decker Construction Company has displayed acceptable performance and conduct on past projects in the City of Bexley which include the recent 2023, 2022 and 2019 Street Improvements and the 2012 South Cassady Avenue Improvement Project. They have provided a detailed list of qualifications and are qualified to perform this type and size of project. They have also indicated that they can meet the 5% EDGE goal by subcontracting some of their trucking to be performed by EDGE certified subcontractors.

I therefore recommend the contract be awarded to Decker Construction Company for the total amount of One Million, Sixty Two Thousand, Two Hundred Ninety Three Dollars and Eighty Eight Cents (\$1,062,293.88) for the base bid and an additional Five Hundred Eighty Three Thousand, Four Hundred Eighteen Dollars and Ninety Four Cents (\$583,418.94) for the three alternate bids.

Upon receiving your approval, I will prepare a Notice of Award for your signature and then forward the contract documents for signature to the contractor. Upon receiving their signatures I will forward the contracts to you for your review and approval.

Please call me at (614) 949-8102 if you have any questions.

Sincerely,

David B. Koch, P.E.  
City Engineer
