To: City of Bexley, Ohio, Board of Control

Subject: City of Bexley 2024 Sidewalk Improvements, Recommendation for Contract Award

Members of the Board,

I have completed the analysis of the bids received for the City of Bexley 2024 Curb & Sidewalk Improvements Project. The attached bid tabulation shows the lowest and best bid for the work is from G&G Concrete Construction, LLC who submitted a bid price of \$294,340.00 for all the work described in the base bid documents. The bid by G&G Concrete Construction, LLC is only slightly higher than the Engineer's Estimate of \$285,230.00 for this work and appears to be fair and reasonable.

G&G Concrete Construction, LLC has displayed acceptable performance and conduct on past projects contracted for the City of Bexley including the 2023, 2022, 2021, 2020, 2018, 2016, 2015 and 2009 Sidewalk Improvements as well as the 2010 City Wide ADA Improvements. They have provided a list of qualifications and equipment and appear to be qualified to perform this type and size of project.

I therefore recommend the contract be awarded to G&G Concrete Construction, LLC for the total amount of Two Hundred Ninety-Four Thousand Three Hundred Forty Dollars and No cents (\$294,340.00) for the base bid.

There is also one alternate bid that the city may wish to consider:

Alternate Bid No. 1 is for the installation of new sidewalks on the North and South sides of Denver Avenue between Merkle and Gould Road. The cost of Alternate Bid No. 1 is \$71,600.00 if the city would like to add this to the base bid. This block of Denver is being improved with the installation of curb and gutter and asphalt street resurfacing by separate contract. This alternate would remove encroachments in the Right of Way and install new sidewalks on both sides of the street. This alternate would create a similar sidewalk as is present on the blocks of Denver to the West of Merkle.

The alternate can be added at a later date if more time is needed to discuss this additive alternate.

Upon receiving your approval and direction regarding the bid alternate, a Notice of Award will be prepared for your signature and then forwarded to G&G Concrete Construction, LLC for signature. Upon receiving their signatures, I will then forward the contract documents for your review and approval.

Please call me at (614) 949-8102 if you have any questions.

Sincerely,

David B. Koch, P.E.
City Engineer
