Subject: City of Bexley 2025 Sidewalk Improvements, Recommendation for Contract Award

Members of the Board,

I have completed the analysis of the bids received for the City of Bexley 2025 Sidewalk Improvements Project. The bid package contained a base bid for a list of sidewalk panels to be removed and replaced that is conducted annually for one third of the City of Bexley (Eastern third for 2025) plus a bid alternate for installing a drainage improvement in the Remington/Stamwood Alley, North of Broad Street and South of Denver Avenue.

After reviewing the bids, contractor qualifications, references and other criteria I recommend that the City of Bexley consider awarding the contract to G&G Concrete Construction, LLC as the lowest and best bid. Their total bid price of Four Hundred Three Thousand One Hundred Fifty-Seven Dollars and No cents (\$403,157.00) for all the work described in the bid documents for the base bid and alternate bid is approximately six percent (6%) higher than the Engineer's Estimate (\$380,216.00) for this work and appears to be fair and reasonable.

Please review the supporting bid tabulation and bid proposal checklist.

Upon receiving your approval, a Notice of Award will be prepared for your signature and then forwarded to G&G Concrete Construction, LLC. Upon receiving their signatures, I will then forward the contract documents for your review and approval.

Please call me at (614) 949-8102 if you have any questions.

Sincerely,

David B. Koch, P.E.
City Engineer

Approved By: City of Bexley Board of Control

Benjamin Kessler
