Bexley (Q1 2024)
Last Edited: 4/5/2024

HSP Services January 2024 – March 2024

Behavioral Health & Addiction Services

- In Quarter 1, 21 naloxone kits and 34 fentanyl test strips were distributed in zip code 43209. There were 3 naloxone community training attendees that reported 43209 as their residential zip code. It is possible that more residents of Bexley received these resources, but it is not required for recipients to report their zip code of residence.
- Quarter 1 overdose data has not been finalized and cannot be included in this report.
- Franklin County CARES is a surveillance platform that offers access to local data on overdose, addiction, and community health indicators. Visit the [Bexley Profile](#) for more information.
- The Health Systems and Planning tobacco team provided 4 different community trainings to 73 community residents within Franklin County. While none of these trainings were conducted in Bexley, tobacco trainings can be requested at any time.
- The city of Bexley has passed Tobacco Retail Licensing (TRL) and the tobacco flavor ban policy and continues to collaborate with the Tobacco Prevention & Cessation team.

Care Coordination

- Health Systems and Planning Community Health Workers (CHWs) received 6 referrals in zip code 43209 and these referrals are still in process.
- The CHWs served 6 residents in Quarter 1 from zip code 43209. These clients completed 24 pathways, including education, medical home, and social services referrals.
- The Care Coordination team started receiving referrals regarding a housing crisis in Franklin County during Quarter 1 and received 3 times the referral requests from Quarter 4 2023 to Quarter 1 2024 (102 to 314).

Health Promotion

- In Quarter 1, the Clinton Township Produce Market provided fresh produce to 3 individuals from 2 household in zip code 43209.
- The Health Promotion team in HSP engaged with 864 community members through 7 different community events. These events included healthy food access outreach and an Annual CHAT Summit on January 23, 2024. While none of these events were held in Bexley, it is possible that members of the city attended the events.

Bexley (Q1 2024)
Last Edited: 4/5/2024

Emergency Preparedness

- The Emergency Preparedness team holds and participates in many county-level planning efforts that impact residents of Bexley.
- The team trained 94 individuals in Stop the Bleed in Quarter 1, although none reported they were residents of Bexley. To request a Stop the Bleed training, please follow this [link](#).

Epidemiology & Data

- The epidemiologists completed 40 data requests in Quarter 1. One (1) data request was focused on Bexley, and 26 data requests also focused on FCPH's service area and Countywide information that can include Bexley data within.
