Public Swimming Pools –

Franklin County Public Health (FCPH) currently licenses 395 recreational water facilities for the licensing year spanning June 1, 2024, to May 31, 2025. Within the City of Bexley, there are eight licensed pools, spas, or special-use pools. As part of its regulatory oversight, FCPH conducts standard pool inspections at least twice per licensing year. Additionally, annual pool inventory inspections are performed to document essential equipment, including pool pumps, filters, chemical feeders, drain covers, and other facility-specific components. During this quarter, four inspections were conducted in Bexley at the locations listed below.

Date	Facility	Inspection Type
2/25/2025	Dedger-Rose Jones Natatorium	Standard, Inventory
3/24/2025	Columbus School for Girls	Standard, Inventory

Body Art –

Franklin County Public Health (FCPH) currently licenses 96 body art facilities for the licensing period of January 1, 2025, through December 31, 2025. Licensed body art services include traditional tattooing and body piercing, as well as permanent makeup and reconstructive procedures such as microblading, micro needling, scalp micropigmentation, and scar camouflage. Within the City of Bexley, FCPH licenses two tattoo establishments, both of which offer permanent makeup and/or reconstructive procedures. As part of its regulatory oversight, FCPH conducts inspections of body art facilities at least once per licensing period. No inspections were conducted in Bexley during this quarter.
