

Per Bexley code section 1252.15 (g) 1 - Accessory structures and uses shall be permitted only in the rear yard and shall be at least three feet from all property and right-of-way lines, provided that ample yard space is left open for the entrance and use of fire protection equipment.

Current – w/ Variance

This option maximally decreases the blind spots behind the treehouse to create a safer play space.

It was not possible to build the treehouse on the opposite end of the yard due to the powerlines.
