

Existing garage structure

A hand-drawn site plan on a piece of paper. The plan shows a property with a driveway on the left, a gravel area on the top right, and a house on the bottom right. The driveway is labeled 'Existing Driveway' and '2 car access for off street Parking'. The gravel area is labeled 'Existing Garage Location' and 'Proposed Gravel in this location', with dimensions of '20'' on the right and '20'' on the bottom. The house is labeled 'Existing Residential House'. The street '861 Sheridan Ave.' is indicated at the bottom.

Existing garage structure

A hand-drawn site plan on a piece of paper. The plan shows a property layout with several labeled areas. At the top left is a large trapezoidal area labeled 'Existing Driveway' and '2 car access for off street Parking'. To its right is a rectangular area labeled 'Existing Garage Location' and 'Proposed Gravel in this location', with dimensions '20'' on the right and '20'' on the bottom. Below the driveway and gravel area is a rectangular area labeled 'Existing Residential House'. At the bottom of the plan, a horizontal line represents the street, labeled '861 Sheridan Ave.'.
