

## **Service Department Update**

### **Service Director**

### **Andy Bashore**

### **February 7<sup>th</sup> 2023**

#### **Street Department:**

The crews are working on pothole repairs and sign replacement throughout the city.

#### **Water and Sewer Department:**

The Water/Sewer crew is starting to work on our valve turning program, the crew will be starting our annual catch basin cleaning program in the next few weeks.

#### **Urban Forestry/Grounds Maintenance:**

The crews are working on the working on the City's dog park and also stump removals.

#### **Drexel Project**

Drexel-Main to Broad-The water main line work is complete. Storm inlets have been installed, there are a few to still be installed around CSG, which will be done during the school's spring break. The concrete work will resume in the spring, which will include curbs, medians, and bump outs. The sewer relining work is complete. AEP has started their pole replacement and should be done in late January.

#### **2022 Street Project-**

The project is complete.

#### **2023 Street Project**

Will be going out to bid in early March.

### **Chelsea Sewer Relining Project**

The project is underway. The project will be complete in mid-February. The main portion of the project will be in the alley between Chelsea and Grandon.

### **2022 Sewer Lining Project**

The phase 2 lining project will start in mid-February, which include both sanitary and storm sewer work.

### **2023 Sewer Lining Project**

Will be going out to bid in mid-May.

### **2022 Sidewalk Project**

The project is finished, the project area was:

Stanwood to Gould in the north and central sections and Vernon to Chelsea in the south.

### **Service Dept. Highlights**

- The annual lead and copper testing is complete and the City was in compliance.
