Reminder: State of the Community event is March 7

At our annual State of the Community Address, various community leaders join us to give a whirlwind tour of highlights from the prior year and preview what to expect in the year ahead. The 2024 State of the Community Address will be from 6:30-8:00 PM on Thursday, March 7 at St. Charles Preparatory Academy in their new Convocation Center. Hope to see you there! (RSVP encouraged at bexley.org/soc.)

REGISTER NOW

State of the Region 2024

Friday, March 15, 2024
The Hilton Columbus Downtown
11:00 A.M. – 1:00 P.M.

We're hosting a table at this year's MORPC State of the Region event on **Friday, March 15 from 11:00 am to 1:00 pm**. The theme of this sold-out event is *Connecting Communities: Building the Future of Housing and Transportation*. Attendees will hear presentations from top political, business, and civic leaders on regional accomplishments and upcoming plans.

If you'd like to attend, please reach email Natalie by end of day Thursday, February 29 end of business day.

Adirondack Chairs Update

Initial results on the Adirondack Chair Survey are in! I posted the survey last month, and the general consensus is that bright colorful chairs can be fun in our parks, but readers prefer more classic, muted colors for our Main Street environment. Keep an eye out for additional seating options soon!

Jawana Smith Day

Friday, February 16, 2024 was Officer Jawana Smith Day! Officer Smith was sworn in on August 22, 1996 as the first African-American police officer of the Bexley Police Department. Now a civilian supervisor with the FBI, Jawana has enjoyed an exciting career, and I was honored and humbled to be able to present her with this proclamation earlier today.

Livingston Avenue Updates

Following feedback from the February 13 City Council Meeting relating to vehicular and pedestrian safety along the corridor, Council President Lampke spurred a meeting with myself, the Chief, Safety Chair Makham, and representatives from Columbus City Police regarding ongoing safety concerns in the Livingston Avenue area. Columbus shared information on policing and stats for the area, and we discussed ways to partner in the area. In general, consensus has been that the lane reconfiguration has enhanced safety in the area, slowing speeds and lowering the severity of crashes. We've also followed up with letters and emails to invite owners of properties in the Ferndale/Mayfield area to a meeting in March to explore opportunities to coordinate on the environmental remediation at the former Holtzmann Landfill.
