Mural Fest Planning Underway

The Mural Festival Planning Committee is hard at work planning Bexley's upcoming Mural Fest. Work now is centered on solidifying dates, branding design, and identifying potential mural locations. We'll continue to share specifics as they develop, but plan on a late summer or early fall date for this festival.

NEW DATE: State of the Community event is April 15

At our annual State of the Community Address, various community leaders join us to give a whirlwind tour of highlights from the prior year and preview what to expect in the year ahead. The 2024 State of the Community Address will be from 6:30-8:00 PM on Monday, April 15 at St. Charles Preparatory Academy in their new Convocation Center. Hope to see you there!
