

## **Service Department Update**

### **Service Director**

### **Andy Bashore**

August 27th, 2024

#### **Street Department:**

The crews are working on asphalt patches and sidewalk repairs and will also be prepping for the Labor Day block party this week.

#### **Water and Sewer Department:**

The water and sewer crews are rebuilding catch basins throughout the city and working on the valve-turning program.

#### **Urban Forestry/Grounds Maintenance**

The crews are performing tree maintenance and groundwork throughout the city.

#### **Drexel Project**

Drexel-Main to Broad- The paving is scheduled for mid-September. ODOT has awarded the contract to Strawser Paving.

#### **2024 Street Project**

The project is underway; the contractor is working on the concrete portion. Once the concrete work is complete, the paving portion will start.

#### **Grandon Ave- Water Line Project**

The project is complete except for pavement markings, which should occur in mid-September.

#### **Chelsea Ave-Water Line Project**

The project is complete except for pavement markings, which should occur in mid-September.

**2024 Sidewalk Project**

The project is underway.

**Stanbery Project**

The project has started, and the contractor is working on replacing the water main line. The waterline portion of the project should be completed in early October.

**College Ave.-Columbia Gas Project**

The project is complete.
