## SOME OF WHAT WE'VE BEEN UP TO

- We are very excited to announce that Colleen Tassone will be joining City Hall staff. Colleen is a lifelong Bexley resident and is excited to start September 23. She will be mainly involved with inspection scheduling, administrative assistance with code enforcement and customer service at the front desk.
- Diligently reviewing old invoices and accounting to ensure our 2025 budget will be a solid reflection of what is to be expected for the year to come.
- Met with chairs of TPGC/ ARB/ BZAP to review our current processes; spaces for improvement and upcoming city initiatives
- Continuing to audit our viewpoint software and workflow processes in order to implement efficiencies
- Inching closer to having our old property files digitized by ARC.
- Updated our food truck application on our City's permit portal.
