

EXHIBIT A

Franklin County
Public Health

Dear City of Bexley,

On behalf of the Franklin County Board of Health and pursuant to ORC 3709.08, please find enclosed, our 2025 contract between the city of Bexley and Franklin County Public Health (FCPH) for Public Health Services and/or Plumbing Services.

The funding from our cities, townships, and villages allows FCPH to meet national standards including nursing, public health nuisance, health education, health promotion, community engagement, communication, workforce development, quality improvement, epidemiology and assessment, behavioral health and addiction, as well as emergency preparedness. This critical support has resulted in Franklin County Public Health once again being named in 2024 a nationally accredited health department by the Public Health Accreditation Board. Accreditation is a five-year designation which assures our community they are served by highly trained staff carrying out the critical functions of public health.

Building on core funding from our local jurisdictional partners, FCPH continues to diversify its resources through our strategic plan. In 2024, FCPH received direct funding through grants from the Ohio Department of Health, Ohio Commission on Minority Health, Centers for Disease Control and Prevention, and the Franklin County Board of Commissioners. In addition to these projects, we continually carry out all state-mandated services such as communicable disease investigations as well as licenses, permits and inspections (e.g., food, pools, body art, and private water).

More information about all FCPH programs and services can be found on the FCPH Data Hub located at: <https://fcph-data-hub-fca.hub.arcgis.com/pages/programs-planning>.

As an agency, we continue to strive towards achieving our goal of incorporating equity into every aspect of our work. This work includes implementing our declaration of racism as a public health crisis, moving into the second year of implementation for our Community Health Improvement Plan, and building our interactive [data hub](#) to inform future initiatives. We remain focused on improving our programs and services while ensuring the best value for our community.

Thank you for your continued partnership to serve the residents of your community. Please feel free to reach out to our office if you have any questions or if we can be of further assistance.

Sincerely,

Joe Mazzola, MPA
Health Commissioner
