Motion passed 7-0.

Mr. Silverman shared that the proposed amended ordinance does include the removal of language that would limit the use to EV vehicles only. Mr. Hurley asked about any decisions on a vendor, and Ms. Meyer shared that the City will be going with ParkMobile due to the more robust parking history information and name recognition. Mr. Hurley also asked about some of the specifics in the language. Mr. Marcellino thanked the Mayor for the changes and expressed his intent to vote for this ordinance given the changes to allow non-EV vehicles to utilize paid spaces as well. Mr. Silverman also expressed his support for the ordinance. Council members did discuss the signage for a few minutes with Mr. Marcellino and Ms. Saad expressing a preference against any EV-only or EV-preferred language and Mayor Kessler also sharing his preference for cleaning language that would not encourage judgment or confusion. Mr. Silverman also agreed with this. Ms. Lampke expressed her appreciation for the discussion and thoughts but expressed that she will not vote for the amendments because she did feel these spots were selected for a reason. Mr. Marcellino asked again about signage and whether it would include EV preferred language. Mayor Kessler shared that he does not intend to include that language but he's not comfortable committing to never doing that in the future. There were a few additional questions regarding this item.
