

AGGREGATION UPDATE

- Timeline for Decision:
 - If adopted, agreement could be executed immediately, but must be executed by March 7 if there is to be no lapse in the program coverage
 - Actual rates for program will not be locked until date of contract execution
 - If lapsed, Bexley households in current program will return to standard AEP rate
 - If City waits for new AEP Price to Compare (in June)
 - New program begins in August/September
 - Bexley households in current program return to standard AEP rate
 - Aspen anticipates aggregation rates to continue to increase in correlation with increases in the market (e.g. rates increased from February 11 to February 25 for most program options)
