

All - meeting notes are below but I would like to call your attention to a few time sensitive items:

1. WASTE MANAGEMENT - Please sign up for a couple of events if you can. Also, if you know people in the community who might be interested in helping please forward the link to them.

[Waste Station Guidelines and Reminders](#)

[Sign up](#)

2. FOURTH OF JULY PARADE - A number of members who were at the 6/20 meeting plan to walk in the parade. You are all most welcome to join! Please reach out to Lisa Goldsand, Addison Helon, or Alina Lacki if you would like to join. Will be super fun!

3. STRATEGIC PLAN UPDATE - The mayor has asked that we all take a look at the strategic plan update. Link is below.

**Notes from meeting on 06-20-23**

**Next meeting is on 7-18-23**

**Car Idling - request for an update from Steve Grossman. Not a formal update as yet. Rebecca Ness working with Addison and Alina**

**4th of July Parade - How will this fine team show up? - Need to discuss sign up for the parade. We are past the deadline. Rachael has suggested that we consider a pledge - ex minimize the use of plastic. Alina and Addison, Grossmans, Ness family, some Goldsands. Will write to the rest of the group. Check for line-up and potentially carry music? Green shirts, bike if you have one. Rebecca has signs. Elizabeth to procure 8 QR codes which we will affix to existing signs, etc. UPDATE - Lisa Goldsand has registered Green Bexley and will attend the mandatory parade meeting on behalf of Green Bexley. A meeting to determin details of pledge, signs, etc. will take place on Monday, 6/26.**

**Waste Management for 2023 Season - feedback / updates from participants. Do we have adequate coverage for future events in the season? ANSWER AS OF 6/20 IS NO. NEED EVERYONE'S HELP TO SIGN UP AND / OR TO GET THE WORD OUT TO OTHERS IN THE COMMUNITY WHO MIGHT BE WILLING TO ASSIST.**

### Community Stakeholder Updates:

- Capital (Ashley Harvey or Rachael Rice) - Rachael preparing her committees for the fall. Hoping for more engagement for the sustainability club at Capital. Somewhat resource constrained but Rachael feels there is student interested in increased sustainability activity on campus. Ashley working with provost on programming. Needs a speaker to recommend. Lots of suggestions in the meeting. **PLEASE REACH TO ASHLEY IF YOU HAVE IDEAS FOR HER FOR A LOCAL SPEAKER ON SUSTAINABILITY - EVENT IS EARLY FALL.**
- CSG (Corey Baker) NA
- BHS (Alina Lacki, Addison Helon) - High school environmental club's executive board is focused on a succession strategy for year after next. A and A will keep us updated on progress. Most of exec board are seniors. Several litter pick-ups planned.
- Bexley City Schools (John Eickenbury) NA
- City of Bexley (Elizabeth Ellman) - Discussion around exploration of solar panel placement throughout Bexley. Rachael asked about how energy is re-incorporated into the grid.
  - **Sign Up Genius – Waste Station Guidelines and Reminders Sign up**
  - Boards and Commissions
  - Trash tent
  - Compost buckets
  - CDP Reporting
  - **Strategic plan update → public workshops in summer**

  - Leadership positions
- City Counsel (Lori Ann Feibel) NA

### Subcommittee Updates:

- Education / Outreach / Calendar and Activities - Addison and Rachael discussed schools collaborating on Sustainable September activities. The Grossmans announced they are resuming their mission to canvas the neighborhood to communicate with ppl about food waste compliance. They will register as canvassers with the city. Godspeed Grossmans =)
- Race to 0 / Measure and Track - EE - climate action plan in progress. Large, far reaching project so updates may be somewhat micro in the near term.
- Transformation and Infrastructure - no updates
- Biodiversity - Rebecca - team will be at pollinator-palooza this weekend. Saturday, 11 to 3. Tabling at the event. Rebecca would love help at the event and also to get materials to the event. Kathy and the Grossmans have volunteered to help.
