

REQUEST FOR PROPOSAL

COMMERCIAL DESIGN GUIDELINES

BACKGROUND

The City of Bexley, Ohio is requesting qualified planning consultants to develop a comprehensive Commercial Design Guidelines document. This document seeks to re-envision the current Main Street Design Guidelines (see Appendix A) by establishing overarching guidelines for core commercial areas in Bexley and providing specific standards tailored to the unique contexts of East Main Street, North Cassady Avenue, and East Livingston Avenue. These guidelines will enhance and maintain the vitality of the city's commercial areas. The selected consultant will develop a reader-friendly Commercial Design Guidelines document that will establish standards for future redevelopment, and collaborate with a steering committee to ensure that the updated guidelines are contextually appropriate and align with the city's long-term vision.

SCOPE OF WORK

The Scope of Work will include the process of developing the Commercial Design Guidelines and include what will be provided in the document:

- **Guidelines process will include the following:**
 - **Policy and Strategy Review:** Review Main Street Design Guidelines; review pertinent city policies and procedures relative to streetscape and design review; review active City strategic plans, ensuring alignment with the new guidelines.
 - **Steering Committee:** Work with the Design Guidelines steering committee for input and guidance throughout the process.
 - **Public Workshops:** Conducting two public workshops to gather input and feedback from stakeholders and community members.
 - **Drafting and Revisions:** Developing draft guidelines, followed by revisions based on feedback from the steering committee and public workshops.

- The Guidelines will provide the following:
 - **Universal Guidelines:**
 - Establish universal design standards applicable to all development within Mixed-Use Commercial (MUC) districts in Bexley.
 - Establish streetscape design standards for all MUC districts in Bexley.
 - **Context-Specific Guidelines:** With the understanding that there will be significant overlap in standards, develop specific guidelines and standards for development and streetscape that apply to each commercial corridor:
 - East Main Street (possible variations between the
 - North Cassady Avenue
 - East Livingston Avenue
 - **Existing conditions:** Address existing conditions and recommendations of improvement.
 - **Introduction and Overview:** Incorporate the purpose of the guidelines and historical context to inform readers on what is regulated and where regulations apply.
 - **Vision and Expectations:** Clarify the vision and expectations for commercial areas, by focusing on the elements and functionality of the streets and buildings.
 - **Develop Inventory:** Create a list of architecturally significant buildings and historically significant trees to help preserve the character of Bexley as well as include a code audit.

- **Final Deliverable:**
 - A reader-friendly document with illustrations and images that clearly explains the guidelines and vision for the commercial areas.
 - An array of guidelines that address sidewalks, trails, curbs, planting areas, tree lawns, lighting, street furniture, screening, fencing, utilities, pocket parks, medians, signage, automobiles, access points, bikes and bikeways, transit, pedestrian crossings, traffic calming measures, trail access, parking, architectural massing, scale, height, materials, style, preservation, language, public art, potential development sites, institutional knowledge, geographies, and proximities.
