

September 2025 Building Department Summary

Some of what we have been up to...

- Met with residents of the Alexander to discuss the 2200 E Main St project and addressed some of their concerns.
- Updated our Architectural Review Board application to make it more user friendly.
- Code Enforcement:
 - Brought on Dick O'Donnell part time to help inspect
 - Soften the code violation letter
 - Streamlining our code enforcement input by adding an extra ipad for our officers in the field.
- We are getting ready to kickoff construction on our City Hall Office renovation project.
- City Hall A/V upgrades will begin in October.

Upcoming Meetings

- Architectural Review Board – Thursday, September 11, 2025 @ 6 pm
- Tree & Public Garden Commission – Wednesday, September 17, 2025 @ 4pm
- Building Zoning and Planning – Thursday, September 25, 2025 @ 6pm

2200 E Main

- The crane has moved to the rear of the property.
- Bricks are being laid! The North sidewalk will remain closed Monday – Friday while they install the front façade of the building.
- You may have noticed some extra traffic building up on Main St.
 - We have asked the contractor to try to schedule deliveries to the front of the building after 10am, so as to minimize traffic impacts.
- The contractor continues to address any concerns from the City and/or residents.
- Project Completion (estimated): Summer 2026

St. Charles

- Chapel & Brotherhood center is now complete.
- The dedication of these spaces occurred at the end of August.
