Architectural Review Worksheet

Design changes involving window, siding, roof replacement projects, detached garages, accessory structure, and deck construction may be reviewed and approved by the Design Consultant and/or Zoning officer, if it meets all zoning code requirements and maintenance improvements conforming to the "SPECIFIC STANDARDS" in the Residential Review District Residential Design Guidelines. It may be directed to the Architectural Review Board or Board of Zoning and Planning for review and/or approval, if required by staff. Design approval is required in order to obtain a Building Permit. Work performed prior to an approval is subject to triple fees.
