

Council Update – Mayor's Office

March 29, 2016

Key Updates:

Farmers' Market Location Discussion

We are working with the Bexley Farmers' Market to explore an alternate location for the market. Tomorrow night at 6:00 pm there will be a meeting with neighbors in the area of Dawson and Sherwood Road to discuss a proposal to move the market to the first block on Dawson north of Main (between Main and Sherwood).

Bexley Community Cleanup Day is April 16th

Looking for volunteers to help cleanup and to help with drop-off points. There will again be a full complement of vendors to assist with items that are dropped off – including 2 shredding trucks this year!

New Officers Sworn in

Officers Ronald Moss, Chris Willis, and Rodney Johnson were sworn in on March 11th

“Dog Recreation Meeting”

Strong interest from group for dog park. Residents who are involved were given tasks to explore smaller dog parks in similar environments and to come back to the group with observations.

Broad Street Reconstruction Bids Came In

Bids were at or below engineer’s estimate – good news – good work by Bill Dorman and Dave Koch and team to get to bid in a timely manner with a good plan.
