

Council Update – Mayor’s Office

March 8, 2016

Key Updates:

Broad Street Public Workshop recap

Good meeting – good turnout from residents. General support for proposed improvements. Study group will meet soon to work on a finalized set of plans to present, including more detailed signage and finalized median placement details.

Regional Bike Share - update

We met with MORPC and City of Columbus, and are looking into being a co-applicant for MORPC fund for an expanded regional bikeshare/COGO grant application

Jeffrey Woods Festival recap

Great turnout - wood chop event was a particular success. A lot of enthusiasm was evident for the expanded “festival” concept and we plan on building on it next year.
