

Mayor's City Council Update

May 24, 2016

Key Updates:

- Farmers' Market at new location seemed to go very well – many vendors sold out of supplies, and there seemed to be an increase in traffic. There was a notable increase in residents who walked or biked, with more strollers, kids, dogs, etc.
- Provided an overview of Bexley development and had a Q&A with Central Ohio Luxury Realtors' Meeting
- Met with Bexley Community Garden – we're looking at developing the excess land next to the Police Station as a north community garden
- Memorial Day Ceremony at Drexel Circle is on Memorial Day at 11:00 am – thanks to Bill Harvey and the American Legion for organizing
