

## Mayor's Update to City Council February 14, 2017

### COTA Network Update

COTA met with us and provided info on enhanced service that is coming out of their network modernization. Stops in Bexley will stay where they currently are, but service intervals will improve with better connectivity.

### Community Survey is Going Out This Week

Survey is attached. Asks identical benchmarking questions from last time, plus gathers some new data esp. around social welfare and senior citizen issues.
