

Mayor's Update to City Council February 28, 2017

Community Garden Update

Community garden north planning is under way. Our designer met with garden stakeholders and is revising drawings for a March follow-up meeting. Hoping to see install occur in 2nd half 2017.

Bexley Renewable Electricity Goes Live March 1st

As announced at SOC, we are purchasing wind-generated power from AEP. The new rate is actually a reduction of our current rate, and will save us approximately \$13,000 in 2017.

Jeffrey Woods Festival is this weekend

Have you heard about it? 8am to 2pm ish. Adding two new activities – cutting board workshop and kid-friendly art project. Workshops at 9 am, 11 am, and 1 pm.

Bexley Strategic Plan Update Workshop is March 6th

A community-wide workshop for open-box brainstorming for Bexley's Strategic Plan.

Sunoco Gas Station Cassady Kickoff

Testing begins March 22nd, with excavation beginning in April.

March 16th Implicit Bias Workshop

March 16th is the Implicit Bias Workshop at the library at 7:00 pm. Council encouraged to attend.
