

Mayor's Update to City Council April 18, 2017

Commonwealth Park Meeting

The Commonwealth Park kickoff meeting occurred April 10th, with initial thoughts from committee members and a brainstorming session led by Brian Kent Jones. The next meeting is Monday, April 24th, at 5:30 pm at Jeffrey Mansion.

Southwest Bexley Strategic Framework Update

At the Strategic Framework meeting, workshop participants reviewed the draft plan. The plan provides a variety of recommendations. The recommendation that received the most attention from concerned residents was for the City to explore east/west connectivity options for bicyclists/pedestrians, in order to provide better connectivity to Schneider Park, the bike path, etc. The next step is for a final plan to be prepared and presented at a workshop on May 18th, and later to Council for adoption.

Greater Bexley Cleanup Day on Saturday

Greater Bexley Cleanup Day is Saturday from 8:00 am to 11:00 am. Drop-off is now at Delmar Drive, and volunteer check-in and cookout is at Capital's Main Lawn. Come help out!

Safety Fest Redux

April 8's Safety Fest had around 60+ kids participate in the Cops and Kids events, and good attendance at the helmet giveaway and vendor booths, considering the new event and new location. We've already scheduled next years', and will move the time a little later in the day to accommodate soccer schedules. Special thanks to the PD, Rec, and the Citizens Police Academy Alumni volunteers for all their work on the event.
