

Mayor's Update to City Council October 17, 2017

Trick-Or-Treat Hours

Trick-or-treat will be Tuesday, October 31st, from 5:30 to 7:00 pm.

Jeffrey Mansion Project Backed by Community Foundation

The Bexley Community Foundation has generously agreed to partner with the City by providing a \$1,00,000 grant for the Jeffrey Mansion atrium project. This is an initiative that the City has been working on for years, and with the extreme generosity from the Bexley Community Foundation, we are moving forward with writing the next chapter of the Jeffrey Mansion story. The atrium space will serve as a multi-purpose venue for recreation programming and special events.

Drug Take Back Day on October 28

We're offering another opportunity this fall for residents of Bexley to safely and conveniently dispose of prescription drugs. Prescription drug disposal has become increasingly important, especially as we unite in efforts to help combat the opiate epidemic by reducing access to unused pain medication. The event will be held in the Lobby of the Bexley Police Department, 559 N. Cassingham Road.

Leaf Pickup Begins October 23

City employees will begin collecting leaves next week, working their way from west to east. For a daily status update of leaf pickup crews, see the front page of www.bexley.org starting on Monday the 23rd. If weather cooperates, this program will conclude in early to mid December, with all alleys collected following the completion of street pickup.
