

## Mayor's Update to City Council February 27, 2018

Jeffrey Wood Festival is March 3<sup>rd</sup>

Come make some maple syrup and chop some wood! From sunrise until midafternoon at the pool parking lot.

# 2018 JEFFREY WOODS FESTIVAL

A celebration of the fine art of tree tapping, maple syrup production, firewood chopping, sawmilling, chainsaw wood carving, and woodcraft.

March 3<sup>rd</sup>\*

Sign up now at [www.bexley.org/recreation](http://www.bexley.org/recreation)

\*March 10<sup>th</sup> weather contingency date

The Jeffrey Woods Festival is facilitated by the Bexley Urban Forestry Department, the Bexley Recreation and Parks Department, and is an educational program of the Bexley Arboretum.

## Ordinance Codification Options

We can go to a monthly codification model. This will result in online codes being more up to date than paper code, and an update to the paper code twice a year. The paper code update would have an accompanying resolution approving of the changes, whereas the monthly updated would be rolling and in some instances that iteration would not be "approved" by council. There is not a substantial incremental cost increase – essentially, it's an increase of \$390 per year.

## HB 49 Update

A Franklin County judge denied the injunction on HB 49 (Centralized Collection). There is still a case pending in Toledo. I have not yet heard word on any appeals.
