

Mayor's Update to City Council

June 5, 2018

Jazz in the Park launches

Jazz in the Park launched at Havenwood Memorial Day weekend with a crowd of approximately 1,200. The series continues on the afternoon of the last Sunday in June through August at 4:00 pm.

Roosevelt and 4th of July

Roosevelt contractors are wrapping up water connections. Paving is scheduled to occur prior to the 4th of July, in order to provide good pavement conditions for the parade. Weather conditions can create schedule variables, so there are backup plans in place to ensure a safe surface if repaving cannot occur in time.

ESAC Meeting Launch

The first ESAC meeting occurred. The next meeting is scheduled for July, where committee members will workshop the prioritization of key environmental initiatives for the first year.

Some Highlights from my calendar since the last Council meeting

- Attended Jeffrey Mansion steering committee meetings
- Worked with Jazz in the Park organizers on stage setup, location, and equipment transport
- Met with Nationwide Childrens Hospital re: Bexley mile markers for marathon
