Mayor Kessler,

My name is Alan Levine and I am a resident of the City of Bexley. I am writing to express my disagreement with the plans to allow low-income housing in the City of Bexley, of which I am a homeowner.

Allowing low-income housing in Bexley would cause the value of homes to drop significantly. There is also evidence stating low-income housing increases the amount of crime in neighborhoods. Further, due to the decrease in property values, there will be devastating effects on the school system in our city.

As a long time owner of a homeowner in Bexley, I hope our city continues to grow and succeed. With the addition of low-income housing, I fear the opposite will happen. Please consider this request to prevent low-income housing in the City of Bexley.

Sincerely,
