### Drexel Ave. proposals Inbox x

**Egle Weiland**

3:34 PM (10 minutes ago)

to [electedofficials@bexley.org](mailto:electedofficials@bexley.org)

Dear Council members:

I understand your wanting to reduce traffic on Drexel Ave. I have lived here since 1985.

The proposal to put a bike lane on one side, would inconvenience one whole side of Drexel property owners.

Some houses do not have driveways, nor do they have adequate space off their alleys for parking.

Do you know how many bike riders would ride down Drexel Ave. each day?

Why not use a less busy streets like Columbia?

What about the parking at Columbus School for Girls, St. Albans, businesses near Main Street, all would lose half of their parking.

Please do not make a quick decision without notifying all Drexel property owners.

Respectfully submitted,

Eglé Weiland
