To: "electedofficials@bexley.org" <electedofficials@bexley.org>

My wife and I reside at 201 South Drexel Avenue. We are in favor of Option A. Adding a bike lane to Drexel one of the most traveled streets in Bexley is an invitation to multiple accidents and adds nothing to its beautification. In addition elimination of parking on both sides of the street will create a hardship on those who don't have driveways. .Frederic
