## Proposed bike lane on Drexel Avenue

---

To: electedofficials@bexley.org

As a Bexley resident, I am strongly opposed to the proposed bike lane along Drexel Avenue. This will eliminate much needed parking for St. Albans Church and the limited amount of retail businesses we have on Main Street / Drexel Avenue. Additionally, I am concerned from a safety perspective as cars travel too fast down Drexel and putting a bike lane increases the likelihood of an accident.

Sincerely,

James Balch
