To the members of Bexley city council,

My name is Joe Muscarella and I live at 48 S Drexel avenue. I'm writing today to voice my opinion on the south Drexel project that city council is considering at the February 8 meeting.

I am not in favor of either option being proposed, but I strenuously object to Option B that adds bike lanes to one side of the street, eliminating parking on the same side. Option B will be a huge disadvantage to residents of south Drexel avenue.

If council must choose one of these two options then I strongly recommend option A that adds island boulevards to south Drexel avenue.

Thank you for your consideration.

Regards,  
Joseph Muscarella
