## South Drexel Parking Options

To: electedofficials@bexley.org

As a visionally different, mobility impaired individual I rely on what little parking there is in front of my office at 542 S Drexel. The competition for the spaces is already fairly fierce given that Cherbourg Bakery draws multiple customers most mornings. I hope you will consider not eliminating parking on either side of the street.

I do not wish to move my office! I love Bexley!
