Dear Mayor Kessler and Bexley City Council members:

Thank you for all the forward action you have taken to make Bexley healthy & sustainable.

Many decisions are difficult, and I know you've made many important and controversial decisions because it's the right thing to do.

I ask that you support the Drexel bike lane option, Plan B. It will be good for Bexley residents and Columbus Metro folks as well!

Again, I so appreciate your leadership.

Thank you kindly,

Carolyn Harding
