Your
comment
to the
Bexley
City
Council:: I am writing to urge you to immediately drop Bexley's mask mandate. To set the stage, I am fully vaccinated and generally supportive of efforts to control the pandemic. I also support Bexley's elected officials and have voted for all or most of you. Nonetheless, enough is enough, I was recently in a store, in Westerville, and noticed that individuals could choose to go masked, Some did, some did not. Westerville, and most places, are able to function without the boot of government authority on their necks. I urge you to follow that example.
