Hello, I live on Sheridan Avenue and I have for the past three years. This morning we got notices that we cannot park on the street anymore. Our landlord, like many others, doesn't provide parking for all of the people who are living in the house. All of our names are on the lease but there is one spot for each side of the duplex. We rely on the street parking. It's not fair to punish the renters because their landlords aren't doing what they are supposed to. I would like to talk to someone about why we cannot park on the street anymore, and try to get this changed. We rely on this. We need our vehicles to get to school, work, take care of our kids. There is no reason we shouldn't be able to park outside of our homes. I look forward to hearing back from you. My phone number is (740) 304-4114 or you can email me.
