Dear Mr. Mayor, members of Council and Bexley city officials,

Respectfully, I am submitting the attached letter in support of the pending Continental Real Estate residential and commercial development on East Main Street.

I am unable to attend tomorrow evening's architectural review board meeting, and so it is my hope that the attached notarized letter may be considered.

Thank you for all you do to bring kindness and prosperity to all Bexley residents, especially during this holiday season.

Richard A. Stoff
