Dear Elected Officials,

I am very much FOR the proposal 04-24 to allow affordable housing in Bexley.

I am a divorced single mother who had to leave a domestic violence marriage and I moved to Bexley to provide a good school system for my daughter. I live in the cheapest place I could find in Bexley and endure many financial difficulties just to afford to stay in Bexley. I hope you will consider single mothers who need affordable housing in Bexley.

Thank you,

Joyce Chandler
