to the
Bexley
City
Council:: I had a conversation with Mayor Ben tonight about the noise of the college students living on College Ave. I realize I live near/on campus and expect noise ON campus but what I don't understand is why these off campus students are able to have loud parties until all hours of the night. We have called the police on several occasions to no avail. It is a school night and the party right now is ridiculous. We can't have our windows open in our bedroom to enjoy the nice weather. We have had instances where we have had family over for a cookout and we couldn't use our backyard due to the music and language coming from this house. I respect the noise ordinance myself as a resident and these students should have the same expectation. I expect a response to this email. Change needs to happen.

Thank you,
Jake Miller
