Notes April 30, 2022 Report

- 1) Income tax is slightly higher than budget year to date and continues to out pace last year by \$405,274
- 2) Building Permits are down year to date versus budget and 2021. In 2021 there were a large number of demolitions and new builds which pushed the numbers high. It is possible that this revenue may fall slightly this year.
- 3) ROW and Franchise Fees are under budget due in part to timing and also to a small overestimate of ROW fees. The original budget estimate is \$95,000, however the actual amount as currently estimated by the ROW Coordinator is \$73,096 based on the permits in process.
- 4) Interest is under budget \$17,539 due primarily to timing. Interest is budgeted evenly throughout the year but coupon payments received can vary significantly month to month.
- 5) CIC revenue exceeds budget by \$45,833 due to a large payment made early in the year to cover amounts owed in 2021.
- 6) The Development Department is under budget \$51,863 YTD. This is due primarily to large budget line items, Tax Sharing with the Schools and Income Tax Incentive Grants that will be typically be paid later in the year. This will be reflected in future forecasts.
- 6) The Street Fund Transfer is higher than normal due to a low 1/1/2022 balance in the fund. The entire amount of the transfer was needed at the beginning of the year instead of the 25% budgeted.
- 7) Parks expenditures are under budget by \$49,138. The budget contains \$80,000 for parks planning but this project has yet to begin and the large variance should be eliminated by year end.
- 8) Unspent prior year encumbrances continue to be represent a large portion of the ending fund balance in excess of budget, \$690,842 of the \$1,318,009 excess. To date 194,402 of prior year encumbrances have been closed and I anticipate that a large portion of the remaining \$747,574 will also be closed.
