Resolution of Respect. #4

Whereas it has pleased Almighty God to remove from our midst a fellow councilman.

Be it resolved, that in the death of Henry P. Brookes, we acknowledge the loss of a peaceful and honored citizen, a staunch and faithful friend and a wise and conscientious councilman and express the fond hope that he has gone to reap an upright Christian's reward. We also hereby express our heart-felt sympathy to relatives and friends of the family in this hour of affliction, and commend them to him who in his inscrutable wisdom doeth all things well.

1909.

Council meeting in regular session.

Meeting called to order by Mayor Holtzman.

Roll call. Members present. Mr. Leonard, Petzinger, Goble, Bishop. The Mayor announced the appointment of Mr. Dickman to fill the vacancy caused by the death of Mr. Brook. Above appointment approved by council. Minutes of previous meeting read and approved.

Mr. Petzinger was called for a report on the question of opening Sheridan ave. but reported nothing had been done yet. report accepted and con- continued.

Mr. Petzinger presented a petition signed by a majority of the property owners on College Ave. requesting council to appoint some one to collect the pole tax and use the same to improve the side walks on College Ave.

Mayor Holtzman reported that the road tax of 1908 paid to the Township Trustee would be returned to the Treasurer of Bexley as the Trustee had not used any of the taxes on the roads of Bexley.

The following Drain Petition was presented by Mr. Leonard.

Bexley Ohio Sept. 1909

To the Honorable Council of Bexley Franklin Co. Ohio.

The undersigned, owners of lots which will be drained or benefited by the improvement herein prayed for, hereby make application to your honorable body, and now file with the clerk of Bexley Ohio, their petition, together with the plans and specifications as originally followed by the Township Trustees of Marion Township, also accompanied by estimates and profile of a reservoir; and now and hereby pray for the extension of the drain located on the north side of Main Street to its terminus; viz. a point due north of the east line of Capitol University Campus as was originally projected. The drain as originally projected is about 1900 feet long and has been completed, partly by the Township Trustee of Marion Township and partly by the owners of abutting property from the place of beginning; viz. Park View Avenue

to a point on the east line of Mrs Elizabeth McNaughten's property, a distance of about 972 feet, leaving about 928 feet to be completed.

One petition for the extension of this ditch with the following modifications of the original plans:- First that the ditch be kept down according to the profile of the resurvey so as to render it serviceable to property owners living at the east line of the Corporation of Berley. Should it be desirable to extend it so far in the future, and second, that the cost of the ditch across Drexel Avenue (60 feet) be placed pro rata against the frontage of all property passed from Drexel Avenue east to the designated terminus; viz. a point due north of the east line of Capitol University Campus, for the reason that that portion of the ditch is not so deep and is to be made of only 12 inch sewer tile instead of 18 inch. While owners of property lying west of Drexel Avenue are to pay in proportion to their frontage only.
