

Resolution # 69

Resolution Authorizing Council to Accept Immediate
Emergency Bids for the Construction of the
Sewage Treatment Plant.

Whereas, the only bid for the construction
of sewage treatment plant for the Village
of Beverly was not only considerable
above the estimate of the Engineer but also
qualified by an accompanying letter; and

Whereas; an emergency exists on account
of the lateness of the season compelling
the contract for the construction of said
sewage treatment plant be let in the
near future, so as to have the same com-
pleted by the time the sewer contract is
completed on Nov. 15th, 1913,

Therefore be it resolved by the Council
of the Village of Beverly, Ohio, that all bids
so far received be rejected, and that an im-
munity for the construction of the sewage
Treatment Plant be declared, and that
bids for the construction of the sewage treat-
ment plant be declared, and that bids
for the construction of said plant be received
immediately.
