

## Resolution -99/

Whereas, the Village has completed its water and sewer systems, so far as the money derived from sale of bonds for these purposes will permit; and the Village has now no available money to make any further extensions or additions to either system.

Therefore, Be it resolved; That the Village, for this reason, undertake no further extensions or additions to either the water or sewer systems, as now completed, or undertake to reimburse any property holder or person for extensions or additions to either system made by them.
