

## Resolution #2021

By Mr. Dunlop

Be it resolved by the council of the village of Pelee, O., that the right to construct a second sewerage discharge line from the United States Government Supply Depot to the present sanitary sewer line in Pelee via Pelee St. be granted to the said United States Government, only on condition that, that portion of the same between the center line and Remington Ave., and the main sewer at Pelee St. and Passid Ave. shall be constructed as a gravity flow line of vitrified pipes of not less than 6 inches in diameter, with necessary 4 branch and lay to line and grade to give by the engineer for said village, and in accordance with standard sanitary sewer specifications by said village, and be it further resolved that the proper officers at said United States Government Depot be notified to at once cease work on laying wood stoff line on East Pelee St.

The resolution shall take effect and be in force from and after the earliest period allowed by law.
