Section 2. Said sewers, together with the necessary house connections
for each lot fronting and abutting upon said improvement shall be con-
structed pursuant to Resolution No. 442, adopted January 27th, 1925, and
in accordance with the plans and specifications heretofore prepared by the
engineer of said Village and now on file in the office of the Clerk of said
Village and said sewers shall be of vitrified pipe.

Section 3. That the entire cost of said improvement, less one-
fiftieth (1/50) thereof shall be assessed in proportion to the benefits
which may result from said improvement upon all the lots and lands
bounding and abutting upon said improvement, which said lots and lands are
hereby determined to be specially benefited by said improvement and the
cost of said improvement shall include the expense of preliminary and
other surveys, the printing and publishing of notices, resolutions and
ordinances required, the serving of such notices, the cost of construction,
together with interest on notes or bonds issued in anticipation of the
collection of deferred assessments and all other necessary expenditures.

Section 4. That the assessments so levied shall be paid in five equal annual installments, with interest on deferred payments at the rate of 6% per annum; provided that the owner of any property assessed, may at his option, pay such assessment in cash within thirty days after the passage of the assessment ordinance, upon due notice being given.

Section 5. That bonds shall be issued in anticipation of the collection of said assessments by installments, in an amount equal thereto.

Section 6. That the clerk be, and hereby is, authorized to advertise for bids for the construction of said improvement as provided by law.

Section 7. This ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed March 27, 1925.
