

ORDINANCE NO. 10 -56

By: Mr. Bell

To modernize the Building Code with regard to all electrical wiring and apparatus by repealing existing Section 6 of Ordinance No. 621 and replacing it with modern requirements, and to declare an emergency.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF BEXLEY, STATE OF OHIO:

Section 1. That Section 6 of Ordinance No. 621 shall be as follows:

6. All electric wiring and apparatus for light, heat or power installed in any building in the City of Bexley, Ohio, shall be in accordance with the provisions of this ordinance. The construction of electrical wiring and apparatus shall include the wiring and apparatus installed in or on a building to the point of contact with the service line on the outside thereof. All material and workmanship of construction of said electrical wiring and apparatus shall be in accordance with the rules and regulations of the National Board of Fire Underwriters and National Electrical Code, and the State of Ohio Building Code, (except that basement or utility room electrical receptacles shall not be on the same circuit as the kitchen and breakfast room, but the wiring shall be the same as that required for the kitchen.) No electric wiring shall be concealed before it has been inspected and approved by the Building Inspector or an authorized agent. It shall be unlawful for any person, firm or corporation engaged in the business of transmission and sale of electric energy to users thereof to make any connection to their transmission lines with the electric wiring and apparatus in any building or to furnish electric current to any building unless the construction of the electric wiring and apparatus is in accordance with the provisions of this ordinance and until it has been inspected by the Inspector of Buildings or his approved agent of the City of Bexley, Ohio. All electric services hereafter installed shall be of 100 Ampere capacity or larger unless by special permission of the Building Inspector or his approved agent smaller service may be required. No service shall be connected to any building in the City of Bexley, Ohio, without the written approval of the Building Inspector or his authorized agent.

Section 2. That existing Section 6 of Ordinance No. 621 is hereby repealed.

Section 3. That this ordinance is hereby declared to be an emergency measure because of the urgent need to modernize our building code for the proper development of Bexley and the general protection of property values and for the preservation of the public peace, health, welfare and safety and shall take effect and be in force from and after its passage and approval by the Mayor.
