

ORDINANCE NO. 12 -66

By Shaw

Authorizing the employment of engineers to prepare plans and specifications for new street lighting systems on East Broad Street and East Main Street, the contracting for the construction thereof, and declaring an emergency.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF BEXLEY, STATE OF OHIO:

Section 1. That the Mayor be and he hereby is authorized and directed to employ the firm of Metzger and Blackburn, Consulting Engineers and specialists in street lighting, to complete the engineering details of complete plans and specifications for the installation of 250-watt mercury vapor luminaires, bracket mounted on steel poles at a mounting height of 30 feet above the roadway, all wiring to be overhead, at a system voltage of 480 volts, single phase, for East Main Street and East Broad Street.

Section 2. That the Mayor and the Auditor be and they hereby are authorized and directed, after advertisement according to law, to enter into a contract for the installation and construction of new street lights on East Main Street and East Broad Street conforming to the plans and specifications prepared by Metzger and Blackburn and outlined in Section 1 of this ordinance.

Section 3. That the sum of \$85,000.00 is hereby appropriated from the General Fund for the purpose of paying the cost of said new lights.

Section 4. That this ordinance is an emergency measure necessary for the immediate preservation of the public peace, health and safety, said emergency being that the existing lights are inadequate and dangerous and this ordinance shall go into force and effect upon passage thereof, and approval by the Mayor.

Passed July 26, 1966.
