

ORDINANCE NO. 17-80

By: J. Joehnest

An ordinance to authorize the leasing of a new Xerox machine for the use of the City of Bexley and to appropriate funds.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF BEXLEY,
OHIO:

Section 1: That the City of Bexley is presently leasing a Xerox 4000 copy machine at the rate of \$255.00 per month which is located in the Mayor's office but used extensively by all departments of the City, which use is now exceeding the capabilities of the machine;

Section 2: That it is necessary to meet the requirements of the City's present and future needs to upgrade the equipment, to provide greater and more economical copying capacity, and at a faster rate and that such requirements would be met by replacing the present equipment with a Xerox 3400, with collator, which equipment would be more compatible with the increased and increasing copying activity by all departments of the City government;

Section 3: That, therefore, the Mayor and Auditor be and they hereby are, authorized and directed to enter into a lease contract for the equipment required, the total cost of which shall be in the amount of \$350.00 per month plus removal and installation charges, and which contract shall be subject to termination, after notice, at any time during the lease period;

Section 4: That Council of the City has, by Ordinance 1-80, appropriated funds to pay for the present lease, which funds shall be applied to the new agreement and that the additional sum of \$1,500.00 is hereby set off and appropriated from the General Fund to pay for the anticipated increased costs;

Section 5: That this Ordinance shall take effect and be in force and after the earliest period allowed by law.
