

ORDINANCE NO. 3 -82

By: John W. Page

An ordinance amending Ordinance 27-75, the grant of franchise to All-American Cablevision Company, and Ordinances 39-79 and 47-80, which granted prior increases and modifications in said Company's rate structure, by increasing customer charges for services effective as of March 1, 1982.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF BEXLEY,
OHIO:

Section 1: That Ordinance 27-75 granted a non-exclusive franchise to All-American Cablevision Company to construct, own, operate, and maintain a community antenna television system within the City of Bexley;

Section 2: That since the adoption of the ordinance and the initial installation of the television system, the Company has supplemented its "basic service" to subscribers by adding Home Box Office (HBO) optional service, and by adding a second tier of optional service (now referred to as "Tier Service"), and is now in the process of offering an optional Remote Channel Selector for the Tier Service;

Section 3: That the City of Bexley has taken the position, not unchallenged, that all such service, whether defined as basic or supplemental and optional, provided by the Company pursuant to the franchise authority granted by the City, comes within the scope of the City's regulatory authority of service and is subject to all the requirements of the Ordinance, despite the fact that the City has heretofore been disinclined to exercise the full scope of its regulatory authority by the regulation of rates for such services;

Section 4: That the City has, in Ordinances 39-79 and 47-80, granted increases in rates for regular basic subscriber services, at the request of the Company and pursuant to the requirements of the franchise agreement;

Section 5: That by letter of December 29, 1981 the Company did once again make a request for rate increases including Home Box Office and Tier Service and that a public hearing, pursuant to the required notice, was scheduled at City Council Chambers for Jan 26, 1982;

Section 6: That after consideration of all information presented, the request for rate increases were found to be reasonable and justifiable under all the circumstances and should be granted and Section 24(b) of Ordinance 27-75 should be and it is hereby amended as follows:
